Address: NO 8 AGUNWA LANE, UWANI, 400009, ENUGU, Nigeria (Home)

● WORK EXPERIENCE

12/2023 – CURRENT REMOTE, Nigeria

CLOUD DEVOPS ENGINEER BINCOM ICT SOLUTION

- Implemented security best practices and compliance policies for cloud environments, including IAM policies, encryption, and vulnerability management.
- Utilizing cloud platforms (such as AWS, GCP) to provision, manage, and optimize cloud resources, leveraging various services to support applications.
- Integrated automated testing frameworks into GitLab CI/CD pipelines, boosting test coverage by 25% and slashing production defects by 15%.
- Managed and provisioned cloud infrastructure using Infrastructure as Code (IaC) tools such as Terraform and AWS CloudFormation.
- Managing version control systems (e.g., Git) and ensuring proper branching, merging, and repository management for codebase and infrastructure configurations.
- Manage Docker image repositories and registries, such as Docker Hub or private registries and Integrate Docker containers into CI/CD pipelines to automate the build, test, and deployment processes.
- Documenting daily activities, compiling reports on resolved issues, and tracking ongoing problems for managerial review.

02/2023 – 11/2023 ABUJA, Nigeria

DEVOPS INTERN BINCOM ICT SOLUTION

- Installing, updating, and removing software packages on Linux Servers.
- Configuring network interfaces, setting IP addresses, DNS servers, managing network services
- Gain experience with IaC tools like Terraform and AWS CloudFormation, by helping to design and manage cloud infrastructure components such as virtual machines, networks, and storage.
- Help maintain consistency across environments by assisting with configuration management tasks using tool like Ansible. Learn how to automate configuration changes and ensure systems are properly configured.
- Writing shell scripts (Bash, Python, etc.) to automate repetitive tasks or perform system administration tasks more efficiently.
- Assist in troubleshooting issues related to software deployment, configuration, or infrastructure

10/2021 – 08/2022 ABUJA, Nigeria

IT SUPPORT HFC CONSULTING

- Installing and configuring computer hardware, software, systems, networks, printers, and scanners
- Monitoring and maintaining computer systems and networks
- Responding in a timely manner to service issues and requests
- Providing technical support across the company
- Setting up accounts for new users
- Smooth running of computer systems, internet, routers, switches.

02/2020 – 02/2021 ABUJA, Nigeria

DATA ANALYST MILITARY PENSION BOARD

- Clean and preprocess raw data to make it usable for analysis.
- Create visualizations such as dashboards, charts, and graphs with R programming to communicate findings.
- Prepare reports and presentations summarizing the analysis results.
- Suggest improvements to optimize processes and outcomes based on data insights.

● VOLUNTEERING

01/2024 – 06/2024 TRADESCOOP

GCP CLOUD ENGINEER

- Design scalable and reliable infrastructure solutions using GCP services like Compute Engine, Cloud Storage, and BigQuery.
- Set up and maintain Identity and Access Management (IAM) roles and policies.
- Work with GCP databases like Cloud SQL, Firestore, or Bigtable.
- Use Kubernetes(GKE) to deploy and manage containerized applications.
- Develop and maintain CI/CD pipelines using tools like Cloud Build and GitHub Actions.

01/2023 BINCOM ICT

INFRASTRUCTURE VOLUNTEER

- Assist in setting up and configuring servers, virtual machines, and cloud instances.
- Write and test scripts (e.g., in Bash, Python, or PowerShell) to automate routine tasks.
- Collaborate with team members to support ongoing operations.
- Support the implementation of security best practices (e.g., access control, encryption).
- Assist in identifying and resolving infrastructure issues (e.g., network connectivity, storage failures).
- Create documentations and guides for common troubleshooting or configuration tasks.

10/2022 – 12/2022 EHEALTH4EVERYONE

DEVOPS APPRENTICESHIP

- Implement Code flow
- Design a version control strategy
- Implement and integrate source control
- Implement and manage build infrastructure
- Document infrastructure setups, configurations, and standard operating procedures

● EDUCATION AND TRAINING

10/2015 – 11/2019 OTUOKE, Nigeria

BACHELOR DEGREE FEDERAL UNIVERSITY OTUOKE

Address BAYELSA, OTUOKE, Nigeria | **Field of study** STATISTICS | **Final grade** SECOND CLASS DIVISION

06/2014 Nigeria

WEST AFRICAN SENIOR SCHOOL CERTIFICATE EXAMINATION MERCY COLLEGE, IJAYE, OJOKORO

Address LAGOS, Nigeria

● SKILLS

Scripting - Python, Bash | Containerization: Docker, Kubernetes | CI/CD - GitLab, GitHub Actions, Jenkins | IaC - Terraform, Ansible | Experienced Linux User | Python Libraries - Matplotlib, numPy, Tensor Flow, Pandas, Scikit Learn | Tableau(Intermediate) | SQL | Security Information and Event Management (SIEM) tools | Intrusion Detection Systems (IDS) | Cloud Platforms - AWS, GCP, Oracle | AWS Services EC2, Lambda, S3, IAM, RDS, Beanstalk | GCP Services - Compute Engine, GKE, App Engine, Cloud Storage, Cloud IAM, Cloud SQL. | Load Balancing - AWS, GCP | Databases (MySQL, PostgreSQL, Oracle)

● LANGUAGE SKILLS

Other language(s): **ENGLISH**

● LEADERSHIP EXPERIENCE

2020 – 2021

Corper Liasion Officer, Military Pension Board

- Act as a representative of the corps members in the board.
- Provide guidance to newly accepted corps members to ensure they align with organizational objectives.
- Help resolve misunderstandings by acting as a mediator between military personnel and corps members

2017 – 2018

Part of the Administrative Team, Federal University Otuoke Student Union Week Committee

- Cordinated with the team in the preparation of official budget and estimated expenditure for the event.
- Worked on developing necessary documents and letters for the project.
- Responsible for securing sponsorship and partnership for the project.

2017 – 2018

Provost, Department of Mathematics and Statistics, Faculty of Science, Federal University Otuoke

- Address students grievances, disputes, and challenges within the department.
- Represent the department at academic conferences and other events.
- Ensure equity, diversity, and inclusion within academic student experiences.
- Making sure, venue of any meeting is clean and ready.

2016 – 2017

Director of Welfare, Nigeria Federation of Catholic Student, Federal University Otuoke

- Provide emotional support to members facing personal challenges.
- Oversee the distribution of resources, such as food, clothing, and financial assistance, to those in need.
- Encourage students of the fellowship to volunteer and participate in outreach programs.
- Report regularly to leadership about the use of funds and the impact of welfare programs.
- Visiting sick students and reaching out to those who have stopped attending our programs.
